REMARKS		

SOURCE

1. The JENA-ROEDIGEN (M 51/3 66) airfield was not in use on 30 June 1949. Part of the landing field was being farmed. The military buildings were occupied by civilians.

25X1C

2. Source confirms the above statement that the unit (red-bordered, black epaulets) previously stationed there, had been transferred.

25X1A

**Comment:** According to previous reports, the landing field of the JENA-ROEDIGEN airfield was serviceable. The statement that part of the landing field was plowed, is reported for the first time and requires confirmation. So far, the airfield buildings have been occupied by an army motor vehicle unit. An air unit is not assumed to be stationed in JENA-ROEDIGEN.
